

2nd Annual Buena Vista Dummy Jump Fundraiser March 13, 2011

It's time for the 2nd Annual Buena Vista Dummy Jump. "What's a dummy jump?" you ask: well, you and a like minded group of individuals, assemble a fake human or icon from whatever parts you choose, secure it to a pair of skis and launch it down the ski hill for a big air jump and crash. Buena Vista Ski Area invites businesses, organizations or individuals to create their own Dummy and join in the fun. Buena Vista can even provide free skis for your dummy. Visit www.youtube.com and search "Dummy Jump" for lots of ideas in making your dummy.

Fine print: Leave no trace: only weight your dummy with things that can be easily cleaned up. No concrete, sand or dirt which will mar the slopes and may damage snowboards or skis. Water freezes well and is heavy so works well. Remember, there will be children watching so keep it reasonably clean and your dummy should be a recognizable form of something.

Hints: Balance, balance, balance – use two skis (no single skis, snowboards, etc.). Weight helps but we have to be able to get it up the hill with a snowmobile and it has to safely land in a drop zone so don't make it too heavy. Dummy scoring is based on height of jump and destruction upon impact. No explosives or pyrotechnics.

Judging: Scores are based on creativity, height of jump, destruction upon impact and audience applause (so bring your loud friends to watch).

Prizes: Top 3 dummies will be awarded prizes.

Entry Fee: \$10 Dummy fee (fundraiser for **Take A Kid Skiing**).

Dummy Name: _____

Team Name: _____

Dummy's claim to fame? _____

Dummy's best trick? _____

Dummy's favorite drink? _____
